## BIOSTAR™ CAN LINERS

SPECTRUM BAGS, INC.  
AN IPD COMPANY  
WWW.SPECTRUMBAGS.COM

## BIOSTAR™ CAN LINERS

BioStar™ can liners contain EPI additive, a fully compostable and degradable material that allows these bags to break down within 12 months of their production. They are printed with the EPI logo and statements, so as to comply with all state regulations having to do with biodegradable bags.
